

Working Student Business Development (m/f)

Holidu is building the world's best search engine for vacation rentals. Our mission is to finally make finding and booking the perfect rental as easy as a Sunday morning. We are on this journey in a rapidly growing team of travel and technology enthusiasts from all over the world. Our travel mates also include investors and mentors who have helped companies such as Booking.com, Spotify and Zalando to achieve global success. So, pack your bag, hop on board and get ready for take off!

Your role in this journey

- Support the Business Development team in building strong relationships and acquiring new partners
- Help with several lead generation projects
- Participate in all internal Business Development meetings and of Holidu
- Conduct market research over the internet
- Use our different software programs

Your backpack is filled with

- Studies in business, economics, tourism or related
- Strong communication skills and great team spirit
- Analytical mindset and detail-oriented, independent work attitude
- Fluent English skills, any additional language a plus
- Profound knowledge of MS Office

Our adventure includes

- Cutting edge technology in all areas of our fast-growing business
- A diverse international team with the ambition to achieve amazing things
- Flat hierarchies, responsibility and freedom to develop your own ideas
- Continuous learning from and with experienced co-workers and mentors
- Real team play with a lot of fun together during and outside of work

Want to travel with us?

Send your CV to jobs@holidu.com and please indicate where you found this job posting. Your first travel contact will be Yen Nhi Do from HR.
