

## Working Student / Intern (m/f) Product Management

Holidu is building the world's best search engine for vacation rentals. Our mission is to finally make finding and booking the perfect rental as easy as a Sunday morning. We are on this journey in a rapidly growing team of travel and technology enthusiasts from all over the world. Our travel mates also include investors and mentors who have helped companies such as Booking.com, Spotify and Zalando to achieve global success. So, pack your bag, hop on board and get ready for take off!

### Your role in this journey

- Support the conception of new features to advance our online platform and apps
- Operate Quality Testing for new and already implemented features, e.g. regarding functionality and user experience (UX) for web and mobile
- Conduct reports and dashboards using internal tools (Google Analytics, Kibana)
- Generate, run and analyze usability tests with potential customers
- Conduct competitor and market analysis as well as its preparation for the product team
- Work closely with the departments Online Marketing and Sales and you'll support the software development within an agile environment

### Your backpack is filled with

- Studies in business, informatics, business informatics or related
- Passion for the development of web and mobile products
- Independent, self-reliant and reliable work attitude
- Creative and team-oriented mindset and curiosity to learn new things
- Business fluent English skills, German is a plus

### Our adventure includes

- Cutting edge technology in all areas of our fast-growing business
- A diverse international team with the ambition to achieve amazing things
- Flat hierarchies, responsibility and freedom to develop your own ideas
- Continuous learning from and with experienced co-workers and mentors
- Real team play with a lot of fun together during and outside of work

### Want to travel with us?

Send your CV to [jobs@holidu.com](mailto:jobs@holidu.com) and please indicate where you found this job posting. Your first travel contact will be Yen Nhi Do from HR.
