

Working Student / Intern (m/f) Touristic Regions

Holidu is building the world's best search engine for vacation rentals. Our mission is to finally make finding and booking the perfect rental as easy as a Sunday morning. We are on this journey in a rapidly growing team of travel and technology enthusiasts from all over the world. Our travel mates also include investors and mentors who have helped companies such as Booking.com, Spotify and Zalando to achieve global success. So, pack your bag, hop on board and get ready for take off!

Your role in this journey

- Work closely with technology, product management and marketing
- Manage the database of Holidu for touristic regions
- Set-up and construct touristic relevant regions for the Holidu meta search
- Develop new countries and regions for online marketing
- Support content marketing for selected touristic regions

Your backpack is filled with

- Studies in business, economics, tourism, geography or related
- Very good German skills, good English skills, any additional language is a plus
- Ideally good geographical knowledge of touristic regions
- Desire to always perform at your very best and push for continuous improvement
- Love for detail, reliability and accuracy

Our adventure includes

- Cutting edge technology in all areas of our fast-growing business
- A diverse international team with the ambition to achieve amazing things
- Flat hierarchies, responsibility and freedom to develop your own ideas
- Continuous learning from and with experienced co-workers and mentors
- Real team play with a lot of fun together during and outside of work
